1. Welcome & Gratitude – the school is doing well collecting aluminum cans for recycling, and the science Olympiad team performed well at the state-wide competition.
2. March minutes were approved.
3. The proposed Land Trust Plan and Budget were approved for recommendation to the board. Sonia will make sure the budget indicates all available funds will be spent, including carry over. Debbie will present the proposal to the board.
4. We discussed holding CAAC elections for the 22/23 school year. At the beginning of May in the Monday Mail, we will include a request for nominations (including self-nomination) of CAAC members as well as the plans for the election of the nominees. The elections will be held ~2-3 weeks later. We will have elections again in the fall to fill any vacancies (including 7<sup>th</sup> grade rep). Once the 22/23 CAAC is convened, the members will vote on chair and secretary. Debbie will send a draft to Sonia for the election announcement.
5. Steve presented a PSO update.
  - Pickleball Tournament: He has volunteers from the high school and donations from board members. There will be a meeting soon with the parent alum Pickleball tournament host, administration, and PSO. He has not heard from parents about volunteering to help with the Pickleball tournament. Mr. Macey will be releasing a sign-up genius to help with volunteering for the event.
  - Teacher Appreciation: PSO will host a parent-led pancake breakfast for the teachers on Wed, May 4<sup>th</sup>.
6. Next meeting – May 10<sup>th</sup>, 7p
